Finally, please raise a glass to Britain's breweries - old and new!

Bob Inman & Richard Griffin - www.eghambeerfestival.co.uk

We now have brand new festival glasses (kindly sponsored by Rebellion & Surrey Hills) to replace the old stock. They are oversized and so a full pint (or half pint) to the line is guaranteed! They can be taken home as a memento of your visit or returned on your exit for a refund of your £2 deposit. Better still, why not donate your deposit to our charity appeals!!

We also have a great selection of unusual ciders & perrys. Why not try something hot from our brand new BBQ or maybe just a sandwich to help soak up the alcohol.

In 2013 we are supporting two very good causes - **Help For Heroes** which needs no introduction, and the local **White Lodge Centre** at Chertsey which has been providing care and support for disabled children, youngsters and adults for more than 50 years. Please accept our thanks in advance for all your generous donations past, present and future - it really does change lives!

Welcome to the 15th Egham beer extravaganza! Once again we have endeavoured to pull together an eclectic list of ales that won't have been seen together under the same roof anywhere in the country!
